4,000 WELCOME 'MR. SMITH' TO WASHINGTON

The Truth is, history is revisited by defining moments in time.

When We Accept Good or Bad Ideas...

Today... who are these precarious and powerful...

few who would choose to do evil's bidding?

“Compensation for Their Services”

The United States Constitution Article I, Section 6, Clause 1

*If we are to learn anything of value from these two traitors, we could look at their motives and causes or perhaps the “**compensation for their services.**”*

When We Accept Good or Bad Ideas ...

What if ...

*ten underlined words
would stop the graft...
greed or our compromises...
with human liberties?*

*“Senators and Representatives shall
receive **a** compensation for their services”*

*“and paid out of the Treasury of The
United States.”*

*Article I, Section 6, Clause 1 of
The United States Constitution*

When We Accept Good or Bad Ideas...

We have witnessed, to no avail...

*how thousands of words written in campaign finance laws,
replaced the evil actions in grandfather loopholes...*

or House ethics reforms, can not stop our weakest human desires.

When We Accept Good or Bad Ideas...

At present...

the dark clouds of uncertainty

created by these paid junkets, receptions

and fund raisers can not stop evil's bidding

for the price of one's soul and the eternal cost to a Nation.

When We Accept Good or Bad Ideas...

The PACs and perks...

paid to one's office have

been brought into...

disrepute by dubious

compensations under the

false color of one's values.

When We Accept Good or Bad Ideas...

This acquisition of acceptance is justified in the controlling words of “*access for good government*”

or “*we would enjoy the opportunity to share our views.*”

When We Accept Good or Bad Ideas

*These and many other items **are paid** out of the Treasury of The United States, unlike those who receive **unreasonable compensation** would tell you, the law can not be purchased and Truth can not be sold at any price.*

The difference is...

found in us when we...

understand our gifts vs....

the graft, the good vs....

the greedy, the law vs. a lie...

*and not doubt in **a word** that*

establishes the faith in Our Constitution.

How Do You See Your World...

The Lord, God...

provided an enduring gift...

which he left for all of us...

What The Lord did...

was open our eyes...

and let the future in.

The Hand of The Lord, Thy God

The Laws of Principle and Practice

*In Truth, the thoughts, words and actions
of two thousand years ago can live in us today as...*

*“The Answers to Mankind's...
future problems can be found within...
so long as there are those among us...
willing to make the **sacrifice.**”*

WHERE IS THE HAND OF GOD...

FATHER, INTO THY HANDS I COMMEND MY SPIRIT (LUKE 23:46)

Where is The Hand of God...

*In Truth, the thoughts, words and actions
of two thousand years ago can live in us today as...*

*“The answers to Mankind’s future problems can be found within...
so long as there are those among us willing to make the sacrifice.”*

Where is The Hand of God...

Somewhere or everywhere...

*being close at hand to someone or
someplace or especially everyplace...
at any time or just one special moment in time.*

Where is The Hand of God...

*who is truly
capable of
holding and
helping **this**
world with
both hands while
creating all...
persons...
places...
and things.*

Where is The Hand of God...

*It is said... “Hindsight... It’s like foresight without a future,”
when we fail to learn the lessons and messages of our past, or
forsake the meaning of our Faith in the future, because...*

our fears in the moments of the present day...

are greater than our Faith on Judgment Day.

For, In God We Trust... the key to the dawn of an Everlasting Age.

Our Decision...

God allows for each of us...

to be able to Perfect our Soul,

Protect the Human Spirit,

and to please God with...

prayer...

practice...

and purpose.

*For taking the time to share a **thought...**
and a Revelation in the making.*

by sending this **thought** to a friend.*
