SECOND DECLARATION OF TERRY LEE HINDS

Pursuant to 28 U.S.C. § 1746, I, the undersigned declarant, TERRY LEE HINDS, the (“Plaintiff”) in support of his civil action for rights, privileges, or immunities secured by the U.S. Constitution and the **Rule of Law**, thereby to secure, protect and defend Plaintiff’s **free exercise of unalienable rights to life, liberty and pursuit of happiness**, hereby declare and state as follows:

- 1). I am over the age of 18. I have personal knowledge of the facts set forth in this declaration and could and would testify competently to those facts if called as a witness.
- 2). Plaintiff avers he has a **fundamental right** to petition the Court for infringements, deprivations or violations of rights, privileges, or immunities secured by the U.S. Constitution and the Rule of Law, when seeking Court sanction or constitutional relief or any other reason(s) that justifies relief.
- 3). Plaintiff avers he has a **fundamental right** to protected speech as set forth in his complaint.

- 4). Plaintiff avers he has a *fundamental right* to due process of law, that all legal proceedings will be fair and that one will be given notice of the proceedings and an opportunity to be heard before the government acts to take away one's life, liberty, or property. So far, not so in this case.
- 5). Plaintiff avers he has a *fundamental right* to protest pursuant to this civil action for rights, privileges, or immunities secured by the U.S. Constitution and the Rule of Law, thereby to preserve or protect and defend Plaintiff's free exercise of unalienable rights to life, liberty and pursuit of happiness IN THIS PETITION FOR QUINTESSENTIAL RIGHTS OF THE FIRST AMENDMENT.
- 6). Plaintiff avers he has a *fundamental right* to the right of [conscience] to preserve, protect and defend the Constitution of the United States with his absolute allegiance to God and Country.
- 7). Plaintiff avers he has a *fundamental right* to Court sanctioned right to relief as one's Quintessential Rights of the First Amendment, against the United States, its officers, or its agencies only if the claimant establishes a claim or right to relief by evidence that satisfies the court.
- 8). Plaintiff avers he has a *fundamental right* to his sincerely held religious beliefs as set forth and described in [OVC] with Plaintiff's practices of religion(s) shall be free from undue burdens as promulgates by U.S. Supreme Court tests, doctrines, the rule of law or by decision of this case.
- 9). Plaintiff's right to petition the government or protest government activities or, to make a complaint to, or seek the assistance of, one's government, is a *fundamental right*.
- 10). Plaintiff has established a *fundamental right to relief* and a First Amendment *free exercise right* of religious beliefs; thereby [believes] in Taxology and [Taxism]; but conversely has a First Amendment Establishment right not to practice, partake or advance these established religions. Plaintiff's [conscience] dictates: '**I am**' an architect of my [LLP]. I know what is to come by the principle on which it is built. Freedom is the light of all sentient beings with the right to exist a '**I Am**', not as *any person as defined, designed, driven, devalued, degraded, deprived*, or fearful

to be *destroyed* by law respecting an establishment of religion in a *matrix of religious dealings*.

11). As a Plaintiff in this case, I am drawing a line in the sand, between reason and religion, and the essence of Liberty and Law; more particularly described in the [OVC] and in Exhibit T # 9.

12). This supporting affidavit is made on personal knowledge, and sincerely held religious beliefs of which set out facts that would be admissible in evidence, and show that the affiant is competent to testify on the matters stated. This Declaration is made in support of this Motion and [OVC].

Pursuant to 28 U.S.C. § 1746, I hereby declare under penalty of perjury that the foregoing is true and correct.
