

The Collective Experience Mission of Taxology

Crudely Crafted Burdens of Law, Belief and Practice as Religion

Plaintiff [believes] Defendants' organized religion makes him & others devoted to carry the [Burdens] of others; or to take up one's own individual cross; only to "see" & submit to or carry on the "cross references" of **THEIRS**.

Versus... the Individual Experience of Our Independence

Plaintiff [believes] and [conscience] dictates his faith & *free exercise* of what his religion demands, directs and has determined for one's own redemption in developing love, faith & hope; existing within the name of:

Justice – **E**quality – **S**ervice – **U**nity – **S**acrifice

If any man will come after me, let him deny himself, and take up his cross daily, and follow me.

Matthew 7:3-5 (NIV)

Why do you look at the speck of sawdust in your brother's eye and pay no attention to the plank in your own eye?

How can you say to your brother, 'Let me take the speck out of your eye,' when all the time there is a plank in your own eye?

You hypocrite, first take the plank out of your own eye, and then you will see clearly to remove the speck from your brother's eye.
