**IRS' symbol of the upside down or inverted cross**

**Look at the IRS Publication 1828 (Rev. 8-2015) COVER SHEET/Front page with the location of the “partial IRS Logo” in the lower left hand corner of that page. You will see an upside down or inverted cross. Symbolism revealing... IRS has defeated (Christianity) & its religious messages through creating tax exempt status or tax exempt contributions/tithes made to any Church of Jesus Christ. Remember our history, Dr. Martin Luther King preached about political & moral injustice existing in America from Christ' Church pulpits. Under IRS rules this would not be allowed today.**
