

[Mammon]

[The Worship of Money & Egregious Wealth]

The Worship of Money, a practice which touches upon religion, has advanced or inhibits religion in its principal or primary effect. It is clear that [Refunds] is making adherence to an organized religion relevant; in such a way to favor, promote or preference a person's standing in the political community. Taken together, with law respecting an establishment of religion, the Master of [Mammon] become self-evident.
