# Taxation Without Representation

## Revenue laws vs. Income Tax Laws

This Nation in the pass (prior to 1960) used “revenue laws” to raise the necessary revenues through passing “deficiency bill” to pay the outstanding debts of the U.S. government. This was taxation with representation. However, tax laws through an ever-changing IRC through **redesignation** begins with IRC of 1939. The IRC was redesignated as the IRC of 1954 only to be redesignated as the IRC of 1986. Our faith in the U. S. Constitution was removed for interfaith in the IRC of 1939 then 1954 and then for 1986. This stealthy seamless intrusions of Interfaith in their acts of “redesignation” of [THE CODE] is an evil act of taxation without representation

**The Boston Tea party** of 1773 was a turning point in American history, showing that Americans were willing to take destructive action in order to gain their freedom from any form of taxation without representation.
