

[religious gerrymanders]

[IRS Stealthy Seamless Intrusions of Interfaith &/or Encroachments to manipulate or adapt to one's advantage so as to give one party an imbalance or unfair advantage]

A deified system of beliefs and practices that move beyond the boundary and established lines of thought; creating stealthy seamless intrusions of interfaith &/or encroachments to manipulate or adapt to one's advantage, so as to give one party an unfair advantage.

COST TO THE AVERAGE TAX PAYER PER YEAR
