

Who is the **secretary** of the Treasury?

The answer is... an **illusion** is greater than reality.

Emphasis Added Throughout

According to THE IRS website; <https://www.irs.gov/uac/the-agency-its-mission-and-statutory-authority>. The **IRS** is organized to **carry out the responsibilities of the secretary of the Treasury** under section 7801 of the Internal Revenue Code [THE CODE]. The **secretary has full authority** to **administer and enforce** the internal revenue laws and has the power to **create an agency** to enforce these laws. Jul 27, 2016. (See Exhibit 1) Who is THE IRS? [The Agency, its Mission and Statutory Authority - IRS.gov](https://www.irs.gov/uac/the-agency-its-mission-and-statutory-authority)

The answer is... an **illusion** or **THE IRS** is greater than reality.

Why are there **7919 instances** of the term “Secretary of the Treasury” within the **entire U.S. CODE** and 927 of those instances are in **TITLE 26—INTERNAL REVENUE CODE [THE CODE]**, yet the term “**secretary of the Treasury**” **appears only one time** in THE CODE? (See Exhibits 2a, 2b, 2c)

The answer is... an **illusion** or **THE CODE** is greater than reality.

Even though the “**secretary of the Treasury**” has the alleged power to create an agency, another **illusion** is found in **TITLE 26: §432(e)(9)(G) Approval process by the secretary of the treasury in consultation with the pension benefit guaranty corporation and the secretary of labor**. It appears that part of the “**Approval process by the secretary of the treasury**” is to submit an application for approval to the Secretary of the Treasury for a plan year that seeks to suspend benefits. (See Exhibit 3)

The answer is... an **illusion** or “**the secretary of the treasury**” is greater than reality.

The term “**secretary of the Treasury**” **only appears once** in the entire US CODE and it is found within **TITLE 12; Chapter 13, §1735d(b)**. It states in part that the Secretary of Housing and Urban Development (Secretary) is authorized to borrow from the Treasury cash and debentures the Secretary shall determine necessary. **Notes or other obligations** issued by the Secretary in borrowing under this subsection (**§1735d(b)**) shall be subject to such **terms and conditions** as the **secretary of the Treasury** may prescribe. Each sum borrowed pursuant to this subsection **shall bear interest at a rate determined** by the Secretary of the Treasury. (See Exhibit 4)

Remember; THE **IRS** is **organized to carry out the responsibilities** of the **secretary of the Treasury**. Therefore, THE **IRS** is **organized to carry out the terms and conditions** of the borrowings of the Secretary of Housing and Urban Development and each sum borrowed pursuant to subsection **§1735d(b)** **shall bear interest at a rate** determined by the Secretary of the Treasury.

What is **THE IRS** organized to “**carry out**”? And, what are the **terms and conditions**?

Is truth really stranger than fiction?

The answer is; an **illusion** is greater than reality.

The Agency, its Mission and Statutory Authority

The Agency

The IRS is a bureau of the Department of the Treasury and one of the world's most efficient tax administrators. In fiscal year 2015, the IRS collected almost \$3.3 trillion in revenue and processed almost 240 million tax returns.

- The IRS spent just 35 cents for each \$100 it collected in FY 2015. (Source: Table 29, IRS 2015 Data Book.)

The IRS Mission

Provide America's taxpayers top quality service by helping them understand and meet their tax responsibilities and enforce the law with integrity and fairness to all.

This mission statement describes our role and the public's expectation about how we should perform that role.

- In the United States, the Congress passes tax laws and requires taxpayers to comply.
- The taxpayer's role is to understand and meet his or her tax obligations.
- The IRS role is to help the large majority of compliant taxpayers with the tax law, while ensuring that the minority who are unwilling to comply pay their fair share.

Statutory Authority

The IRS is organized to carry out the responsibilities of the **secretary of the Treasury** under section 7801 of the Internal Revenue Code. The **secretary** has full authority to administer and enforce the internal revenue laws and has the power to create an agency to enforce these laws.
